Books24x7® On the Go™

Access to Books24x7 when and where needed

Optimized for viewing on BlackBerry®, iPhone® and other web-enabled mobile devices, the Books24x7 On the Go mobile site enables access to the full functionality of the Books24x7 platform, including powerful search and browse capabilities and complete site and content navigation. In addition, the site provides users with the ability to view all Personal and Corporate Folders and add titles, bookmarks and notes to existing Personal Folders, enabling them to organize particularly useful and relevant content.

You must log into Books24x7 on your PC at least once prior to accessing the mobile site.

1. Login to Books24x7 through your company’s portal or Learning Management System.
2. Click the “Mobile Users” icon that displays in the upper right hand corner of every Books24x7 page.
3. View the personalized instructions. Make a note of the username that displays.
4. You will need to specify a Books24x7-specific password by following the link indicated by: “If you don’t remember your password you can reset it here”. This new password will not change or replace any passwords assigned by your organization, and will only enable access to Books24x7. Make note of the password you selected (it can be changed at any time following these same steps).

After completing these steps, you are ready to take advantage of Books24x7 on the Go! Simply go to http://mobile.books24x7.com from your web-enabled mobile device and login using your username and login credentials.

Easy to use
Use the Main Menu items to navigate the site.

5. Click on Search.
6. Enter your Keywords and Search Options.
7. Choose the search result you’d like to access.
8. Once you’ve accessed the title, you may read the full text online. Or use the Tools options to add it to your Folders or perform any downloads (if available).
