WELCOME ALL STUDENTS TO SPACE
Especially non-STEM students

CREATE AN ENGAGING CLASSROOM EXPERIENCE
That students and faculty want to be a part of

HELP STUDENTS TO FIND THEIR OWN PATHWAY TO SPACE
So students can create meaningful and personal connections to space

CULTIVATE THE STUDENT COHORT
So students find a community with the Space Minor

USE HUMAN STORIES
To bring the content to life and help students connect

DESIGN A LEARNING EXPERIENCE THAT IS SCALABLE, SUSTAINABLE AND REPEATABLE
To ensure the longevity of Pathway to Space
