

Getting Started with Campus Technology

FACULTY/STAFF EDITION

WELCOME TO CU BOULDER!

The Office of Information Technology (OIT) is the central IT provider at CU Boulder, providing educational technology tools, Wi-Fi network access, innovative classroom technology, a high-speed research computing environment and much more.

TEACHING AND LEARNING

oit.colorado.edu/teaching-learning

OIT offers a variety of teaching tools for collaboration, video conferencing, interactive presentations and much more. The Academic Technology Design Team (oit.colorado.edu/atdt), including ASSETT (www.colorado.edu/assett), offers assistance with these campus technologies through course redesigns, consulting, and facilitating communities of best practice.

Additionally, innovative classroom and lab technologies are available in over 100 technology classrooms across campus. Learn more at oit.colorado.edu/spaces.

RESEARCH COMPUTING

rc.colorado.edu

Research Computing provides support and training with services for researchers including large-scale computing, storage of research data, high-speed networking, consulting and training, and partnering on grant proposals.

CAMPUS LOGIN

oit.colorado.edu/identkey

The account you use to login to most campus IT services is known as an IdentiKey. It provides access to services including MyCUInfo, email, campus network, VPN, and more.

HELP & SUPPORT

oit.colorado.edu

IT assistance available daily by contacting: 303-735-HELP or help@colorado.edu. Free walk-in computer and application support available on campus. Visit oit.colorado.edu/service-center for locations and hours.

Learn more at oit.colorado.edu/quickstart

MESSAGING & COLLABORATION

oit.colorado.edu/messaging-collaboration

Take advantage of Microsoft Office 365, a cloud-based suite of solutions that includes email via Exchange Online, Office Web Apps, Office desktop applications, SharePoint, and Skype for Business (oit.colorado.edu/office365).

Additionally, you have access to many collaboration applications within G Suite (oit.colorado.edu/google) including Calendar, Groups, Drive, Docs, Sheets, Slides, Analytics, Forms, and Sites.

NETWORK CONNECTIVITY

oit.colorado.edu/networking

CU Boulder provides wired, Wi-Fi and VPN connections for all campus affiliates. Whether on or off-campus, stay connected to the CU Boulder network and access all campus resources.

LYNDA.COM

oit.colorado.edu/lynda

Access thousands of high-quality instructional videos for free. Courses are designed for all levels of learners to develop skills in Microsoft Office, Adobe Creative Suite, time management, HTML and much more.

SOFTWARE & HARDWARE

oit.colorado.edu/software-hardware

Here you'll find information about pricing on computers, as well as free and discounted software, ranging from Antivirus and AutoCAD to MATLAB and SAS.

Be Boulder.
