

Getting Started with Campus Technology

STUDENT EDITION

WELCOME TO CU BOULDER!

The Office of Information Technology (OIT) is the central IT provider on the CU Boulder campus, providing educational technology tools, Wi-Fi network access, innovative classroom technology, and much more.

CAMPUS LOGIN

oit.colorado.edu/identikkey

The account you use to login to most campus IT services is known as your IdentiKey. It grants access to many services including:

- MyCUInfo
- Email
- Campus Network
- Desire2Learn
- VPN (library resource access)
- OIT Computing Labs
- MyCUHub

SOFTWARE & HARDWARE

oit.colorado.edu/software-hardware

Here you'll find information about education pricing on computers as well as software (35+ free or discounted applications) for CU Boulder affiliates. Software offerings range from Antivirus and AutoCAD to MATLAB and SAS.

STUDENT SHOPPING LIST

oit.colorado.edu/shopping-list

Not sure what to buy? OIT has put together a list of technology that students may need when they arrive on campus.

HELP & SUPPORT

oit.colorado.edu

IT assistance available daily by contacting: 303-735-HELP or help@colorado.edu. Free walk-in computer and application support available on campus.

Self help documentation and step-by-step instructions for campus services available at oit.colorado.edu.

Learn more at oit.colorado.edu/quickstart

NETWORK CONNECTIVITY

oit.colorado.edu/networking

CU Boulder provides wired, Wi-Fi and VPN connections for all campus affiliates. Whether in class, in residence halls, or working off-campus, stay connected to the CU Boulder network and access all campus resources.

MESSAGING & COLLABORATION

oit.colorado.edu/messaging-collaboration

Students have access to the Microsoft Office 365 suite of tools including Office Online, OneDrive, Skype for Business, SharePoint, Office 365 Video, Word, Excel, PowerPoint, and Outlook at no cost oit.colorado.edu/office365.

CU Boulder has partnered with Google in order to offer Google-powered communication and collaboration tools to the campus. Students receive many applications including Gmail, Contacts, Calendar, Chat, Groups, Drive (Docs), Sites, Analytics, and more in order to collaborate effectively in the classroom. More information can be found at oit.colorado.edu/google.

LYNDA.COM

oit.colorado.edu/lynda

Access thousands of high-quality instructional videos for free. Courses are designed for all levels of learners to develop skills in Microsoft office, Adobe Creative Suite, time management, HTML and much more.

Be Boulder.
