

Getting Started with Campus Technology

FACULTY/STAFF EDITION

WELCOME TO CU BOULDER!

The Office of Information Technology (OIT) is the central IT provider on the CU Boulder campus, here to help with your IT needs throughout your CU journey.

TEACHING AND LEARNING

oit.colorado.edu/teaching-learning

OIT maintains a robust catalog of teaching resources available to instructors including Canvas, iclickers, Captioning, Qualtrics, Turnitin Plagiarism Protection, VoiceThread and more. OIT also supports over 100 technology equipped classrooms and computer labs across campus oit.colorado.edu/spaces.

The Academic Technology Design Team (oit.colorado.edu/atdt), including ASSETT (colorado.edu/assett), offers assistance with instructional technologies through course redesigns, consulting, and facilitating communities of best practice.

SOFTWARE & HARDWARE

oit.colorado.edu/software-hardware

Find information about pricing on computers as well as free and discounted software, ranging from Antivirus and AutoCAD to MATLAB and SAS.

CAMPUS LOGIN

oit.colorado.edu/identikkey

Your IdentikKey is the account you use to login to most campus IT services. It provides access to services including MyCUInfo, email, campus Wi-Fi, Canvas, Office 365, VPN, and more.

HELP & SUPPORT

oit.colorado.edu

Free computer support for your personally and/or university owned devices! With two Buff Techs walk-in centers as well as IT Service Center support via phone 303-735-4357 (5-HELP) or email (help@colorado.edu), OIT has you covered. Visit colorado.edu/support for hours and locations.

Get help anytime online at oit.colorado.edu, where you'll find self-help documentation and step-by-step instructions for campus services.

Learn more at oit.colorado.edu/quickstart

OFFICE 365 & G SUITE

oit.colorado.edu/messaging-collaboration

Take advantage of Microsoft Office 365, which includes Exchange Online, OneDrive, Skype for Business, SharePoint, and Office 365 Video. Plus, download desktop and mobile versions of Word, Excel, PowerPoint, and Outlook. Visit oit.colorado.edu/office365.

Additionally, you have access to Google applications (oit.colorado.edu/gsuite) including Calendar, Groups, Drive, Docs, Sheets, Slides, Analytics, Forms, and Sites.

NETWORK CONNECTIVITY

oit.colorado.edu/networking

CU Boulder provides wired, Wi-Fi, and VPN connections for all campus affiliates. Whether on or off-campus, stay connected via the CU Boulder network to access online campus resources.

RESEARCH COMPUTING

rc.colorado.edu

Research Computing provides support and training with services for researchers including large-scale computing, storage of research data, high-speed networking, consulting and training, and partnering on grant proposals.

LYNDA.COM

oit.colorado.edu/lynda

Access thousands of high-quality instructional videos for free. Courses are designed for all levels of learners to develop skills in Microsoft Office, Adobe Creative Suite, time management and much more.

Be Boulder.
